Summary of Report from Earl Hayter:

Request: Can he get Anchor's response to comments? Yes, RTC on model, RI/FS, Final modelling study draft 10/2012 etc.

Compiling paperwork.

Reviewing documents.

Setting up new grid to cover the floodplain & using a finer grid around the waste pits. (at least 2 times finer).

Will check results at Banana Bend for cutting new channel as was done in 1994 storm & impact on waste pits.
